ATA Nº 14/2016

Ata número quatorze da Reunião Ordinária do Conselho Municipal de Previdência - CMP do Instituto de Previdência Social de Palmas - PREVPALMAS, realizada no dia dezesseis de março de dois mil e dezesseis, às nove horas e vinte e três minutos, no auditório do Instituto, na Qd. 802-Sul, Al-03, APM-15-B, AV NS-02, Loteamento 2ª Etapa, Plano Diretor Sul. Presentes à reunião os Conselheiros Antônio Chrysippo de Aguiar, Elziran de Assunção Alves Barros, Eron Bringel Coelho, João Luís Pereira, Lindolfo Campêlo da Luz Júnior e Orlando Bizerra Sousa, além, do Senhor Presidente do SISEMP, Heguel Belmiro Souto Albuquerque, que igualmente compareceu, atendendo a convite do Presidente do Conselho. O Senhor Presidente do Conselho, Antonio Chrysippo de Aguiar, iniciou a reunião informando que convidara os Senhores Vereadores Rogério Freitas, Lúcio Campêlo e João Campos de Abreu, respectivamente, Presidente da Câmara Municipal de Palmas, Presidente da Comissão de Constituição e Justiça daquela Casa e Relator da Medida Provisória número 4, de 12 de fevereiro de 2016, junto à mesma Comissão, para assistirem à reunião em razão do que discorrerá na continuidade da mesma; após, foi feita a apresentação dos itens da pauta, nesta ordem: leitura, análise, correções e aprovação das Atas de número doze e treze, referentes às Reuniões Ordinária e Extraordinária dos dias dezesseis e vinte e nove de fevereiro de dois mil e dezesseis, respectivamente. Ato Continuo: o Senhor Presidente do PREVPALMAS leu o Ofício Nº 141/2016/GAB/PREVPALMAS, de 15 de março de 2016, em resposta afirmativa ao proposto no Ofício nº 009/2016/CMP/PREVPALMAS, de 14 de março de 2016, sobre o apoio e recomendação do Conselho ao urgente envio de pessoal para o treinamento devido ao Censo Cadastral de Servidores Ativos e Inativos do Município disponibilizado pelo Ministério da Previdência Social, e acrescentou informações sobre a capacitação que os servidores receberão; ainda o Senhor Presidente do PREVPALMAS: informou que em razão de parceria firmada entre os Tribunais de Contas da União, dos Estados, a ATRICON – Associação de Tribunais de Contas e o Instituto Rui Barbosa, os quais, por meio de cooperação técnica estão escolhendo, por amostra, Institutos que serão auditados, o PREVPALMAS se encontra sob auditoria do Tribunal de Contas do Estado; na continuidade, ainda o Senhor Presidente do PREVPALMAS, entregou aos Senhores Conselheiros cópia do Ofício Circular nº 01/2016/GAB/PREVPALMAS motivando, de modo detalhado, sobre a inclusão da Junta Médica ao Instituto; o Senhor Presidente do Conselho, com o fim precípua de registro do que considerou relevante para o bom direito e informações ao Conselho, apresentou o documento a que nominou de “Identificação de fatos e atos relevantes ocorridos no âmbito do Instituto de Previdência Social do Município de Palmas – PREVPALMAS para entendimento e providências cabíveis”, o qual determinou ser juntado a esta Ata, e através de cujo conteúdo observou diferenças importantes entre o que aprovara o Conselho Municipal de Previdência e o que se apresenta através da MEDIDA PROVISÓRIA Nº 4, DE 12 DE FEVEREIRO DE 2016, relativo à mudança na Estrutura do Instituto, especialmente quanto à Junta Médica, além de outras desconexões identificadas e necessárias tomadas de providências mediante requerimentos; dentre as desconexões identificadas e registradas pelo Senhor Presidente do Conselho entre a Ata número 11/2016 e a Medida Provisória em comento, foram apontadas ‘as alterações em requisitos de abono e permanência – direitos previdenciários’, o que foi defendido pelo Senhor Presidente do PREVPALMAS, Bruno Flávio Santos Sevilha, o qual pontuou que esse tipo de mudança não é direito previdenciário, competindo aos Órgãos Independentes do Município legislarem, e não ao Conselho discutir ou deliberar, diante do que o Senhor Conselheiro Presidente, informando que o seu argumento não é de que “está certo ou errado”, mas que a medida está dentro da mesma alteração na Estrutura do Instituto, discutida pelo Conselho sem que esse esteja referido na Ata; na parte relativa à obtenção de informações, o Senhor Presidente do Conselho pontuou, no documento em referência, não se encontrar registrado na Ata número 11/2016 ou no MEMO/PREVPALMAS/DCI/ N004/2016 de 20 de janeiro de 2016, referenciais mais precisos quanto aos 1º valores que foram realocados para fundos mais consistentes, 2º quanto foi realocado e 3ª data de aplicação

nos fundos anteriores e, implicitamente, admitidos de menor consistência, e propôs, motivadamente, que o Conselho Municipal de Previdência decidisse pelo requerimento formal das referidas informações junto à Diretoria de Investimentos do Instituto; o Senhor Conselheiro Eron Bringel Coelho informou ao Senhor Presidente do Conselho que o responsável pelo investimento, Kauwe Ueda, apresentara, na última reunião, tudo o que está sendo solicitado, e de modo detalhado, corroborando, o Diretor Kauwe Ueda, deu detalhes sobre a apresentação que fizera; o Senhor Conselheiro Presidente, com o propósito de não se parecer demasiado inquiridor, lembrou que a sua preocupação se deve ao desejo de se evitar situações de difícil explicação, tal qual à que se refere aos vinte e seis milhões objeto de manifestação junto ao douto Tribunal de Contas do Estado, os quais ou não foram registrados ou foram perda de mercado em razão de realocação liquidada a seu tempo, num momento de desvalorização; lembrou que a Ata faz referência ao MEMO/PREVIPALMAS/DCI/ N004/2016 de 20 de janeiro de 2016, o qual só trata das realocações, mas não trata de valores (não necessariamente exatos) e nem datas de aplicações originárias, o que é necessário, com o propósito de resguardar a todos; lembrou que o Conselho é soberano, bem como necessário é o registro das suas preocupações; o Senhor Conselheiro Lindolfo Campêlo da Luz Júnior sugeriu, referente às ponderações do Senhor Presidente do Conselho presentes no documento em apresentação, que requerimentos sejam feitos ao Senhor Diretor de Investimentos, Kauwe Ueda, ou, simplesmente o referido documento seja encaminhado como anexo de ofício para que ele responda; o Senhor Conselheiro Eron Bringel voltou a ressaltar que o responsável pelo investimento, Kauwe Ueda, apresentara, na última reunião, tudo o que está sendo solicitado, e de modo detalhado, e sugeriu que não custa apresentar documentalmente o que fora feito de modo verbal; o Senhor Presidente do PREVIPALMAS pediu que constasse que é a primeira vez do Instituto, desde a sua criação, em que há uma prestação de contas oficial desta forma, o que poderá, ainda, ser aperfeiçoado de acordo com o que for recomendado pelo Conselho; o Senhor Conselheiro Presidente, a título de esclarecimento, destacou que esteve a buscar as mesmas informações junto à Diretoria de Investimentos, e que estas não lhe foram passadas; na continuidade, ainda o Senhor Presidente do Conselho, dando prosseguimento ao documento em apresentação ao colegiado, fez menção aos repasses Patronal e Previdenciário – alvo de debates públicos – de conhecimento de todos em razão de participação parlamentar na mídia de grande alcance, e informou que apesar da notícia, através do Ofício nº 585/GAB/PREVIPALMAS, de 9 de dezembro de 2015, dar conta de que o “os repasses das Secretarias e demais Instituições do Município de Palmas, estão todos regulares” a informação da Secretaria Municipal de Finanças é de que valores não foram repassados ao PREVIPALMAS, e que estudou-se quanto à compensação destes com outras obrigações do Instituto, informações estas que ainda não se encontram consolidadas, embora OFÍCIO/GAB/PREVIPALMAS/Nº 80/2016, de 15 de fevereiro de 2016 informe que “os repasses previdenciários referentes aos meses de setembro/2015 a janeiro/2016, até à presente data encontram-se em dia, conforme informações prestadas pela Diretoria de Contabilidade (doc. Anexo)”; fez menção ao MEOMRANDO/PREVIPALMAS/DCI/Nº 022/2016, e à planilha a este anexa, contendo o numerário devido e pago a título de contribuição em importe superior a dez milhões de reais, cujas informações não explicitam as datas dos referidos repasses, omissão que impede a fiscalização, ou mesmo o imprescindível recolhimento de juros e demais encargos compensatórios, além das ressalvas de cunho legal; na continuidade, o Senhor Conselheiro Presidente falou sobre a parte do documento lido e transcrito e fez análise quanto à necessidade de informações detalhadas para que se possa fazer as fiscalizações devidas com suportes documentais, incluídas, indispensavelmente, as datas de repasses, para que se possam dimensionar valores relativos a juros e correções devidas a atrasos; corroborando, o Senhor Conselheiro Eron Bringel Coelho informou que a legislação permite atrasos, desde que haja o devido pagamento de juros; o Senhor Presidente do PREVIPALMAS lembrou ao Senhor Conselheiro Presidente que lhe foram entregues extratos bancários, e este, por sua vez considerou que não tem habilidades contábeis para lidar com o tipo de documento e identificar os valores resultantes destes, e solicitou que fossem informadas as

datas dos recolhimentos para que, a partir deste ponto, se possam fazer os cálculos e, de acordo com a legislação, se chegar aos valores a serem compensados. Ato Contínuo: o Senhor Presidente do Conselho propôs a este que, oportunamente, decida pelo requerimento formal das referidas informações junto aos Diretores Contábil e de Investimentos para que identifiquem os meses em que as parcelas dos recolhimentos previdenciários foram efetivadas; ainda: tratando do documento em análise, o Senhor Presidente do Conselho referiu-se ao fato de que em gestão anterior do PREVIPALMAS, eram repassados ao Conselho Municipal de Previdência um Relatório de Desempenho de Ativo, importante demonstrativo de desempenho que trazia informações econômico-financeiras e patrimonial necessários ao conhecimento do colegiado e aos segurados, vez que os seus resultados eram mensalmente publicados, e finalizou sugerindo que o referido documento passe a ser novamente elaborado e apresentado aos dois Conselhos para a devida publicação; finalizada a apresentação do documento pelo Senhor Presidente do Conselho, este informou que tem sido cobrado pelos Servidores porque antigamente era feito assim: os servidores sabiam o que acontecia dentro do PREVIPALMAS, pois tudo era devidamente documentado e publicado; diante da informação, o Senhor Presidente do PREVIPALMAS assegurou que de todos os atos do Instituto dará a devida publicidade. Ato Contínuo: franqueada a palavra, o Senhor Conselheiro Eron Bringel Coelho, referiu-se a ofício que foi feito esclarecendo sobre as pendências e recolhimentos previdenciários, e informou que nas datas citadas estavam todos regularizados, e, quanto ao detalhamento por datas, sugeriu que se oficie ao PREVIPALMAS, e este, certamente, disponibilizará todas as informações com o devido detalhamento; ainda o Conselheiro Eron Bringel: sugeriu que todas as solicitações e convocações de relevância fossem informadas e submetidas à aprovação do Conselho, o qual, segundo o Conselheiro, está sempre munido das melhores intenções para cuidar e zelar pela garantia do que é do servidor, e ressaltou que a responsabilidade do colegiado é imensa, e asseverou que todos os documentos que saírem do Conselho, sobre estes os membros devem ser consultados; concordando com o Senhor Conselheiro Eron Bringel Coelho, o Senhor Conselheiro Lindolfo Campêlo da Luz Júnior, frisou que, até prova em contrário, todos estão do mesmo lado, que é o lado do PREVIPALMAS, e considerou que, em havendo dúvidas, como exposto pelo Senhor Presidente do Conselho, é de bom grado que se produza expediente oficial com a anuência do colegiado, visando ao esclarecimento que seja necessário para que se tome a também necessária providência; corroborando com o Senhor Conselheiro Lindolfo Campêlo da Luz Júnior quanto à necessidade de manifestação oficializada de dúvidas para fins de esclarecimentos, o Senhor Presidente do PREVIPALMAS explicou que, em casos de realocações de grande montante, caso haja especulação verbal não fundada em documento, isso pode gerar dúvida quanto à lisura do procedimento, e acrescentou que, por falta de quorum, algumas reuniões deixaram de acontecer, mas que tudo o que foi feito, só o foi mediante apresentação ao Conselho e deliberação deste; ainda na continuidade: o Senhor Conselheiro Lindolfo Campêlo da Luz Júnior, consultando ao Senhor Presidente do Conselho, sugeriu que seja feito requerimento buscando dirimir todas as dúvidas presentes no documento apresentado por este, conforme o querer, também, dos demais conselheiros; o Senhor Conselheiro Orlando Bizerra Sousa, fazendo menção a entendimento exposto pelo Conselheiro Eron Bringel Coelho, no tocante ao convite feito aos Senhores Vereadores, como informado pelo Senhor Presidente do Conselho no início da reunião, avaliou que o convite e suas razões deveriam ser previamente informados ao Conselho e discutido por este, de modo que cada membro pudesse interagir com razoabilidade, sabendo o que perguntar e o que responder em razão das tratativas; a Senhora Conselheira Elziran de Assunção Alves Barros, no tocante ao tema em comento, informou que o convite aos Senhores Vereadores decorreu da necessidade verificada e discutida pelos efetivos da Câmara Municipal, de entenderem melhor o teor da Medida Provisória número 4, de 12 de fevereiro de 2016, com o propósito de sanar eventual inconsistência presente nesta; o Conselheiro João Luís Pereira, na continuidade do tema, ressaltou que a Medida Provisória número 4, de 12 de fevereiro de 2016 é fruto de decisão tomada pelo Conselho reunido, e referiu-se à criação da Junta Médica com a anuência do colegiado, e que entendeu que esta não seria um ônus para o PREVIPALMAS, mas que seria um organismo composto por Servidores do quadro efetivo da Prefeitura, e avaliou que o que se percebe é que a MP em tese contraria o que foi deliberado,

quando, além de criar uma Junta Médica com ônus para o PREVIPALMAS, ainda deixa em aberto a contratação de auxiliares, e considerou, embora não se possa antecipar o que a Câmara vai decidir, que é necessário se oficial a esta, informando quanto aos desencontros entre o que o Conselho deliberou e o Poder Executivo editou através da Medida Provisória número 4, de 12 de fevereiro de 2016; o Senhor Presidente do Conselho, referindo-se aos convites feitos aos Senhores Vereadores e as análises do fato feitas por parte dos Senhores Conselheiros, invocou a competência dada ao Presidente do Conselho através do Decreto Nº 144, de 19 de junho de 2006, de “requisitar as informações que o CMP necessitar”, e em nome dessa competência, justificou a sua iniciativa; na continuidade, e referindo-se ao mesmo diploma legal, o Senhor Conselheiro Eron Bringel assentiu que o Conselho é o conjunto de todos os Conselheiros, e o Senhor Conselheiro Orlando Bizerra Sousa, seguindo o mesmo raciocínio, avaliou que, à exceção do Conselheiro Presidente e da Conselheira Elziran, os demais não tinham informações relativas ao que os Vereadores fariam na reunião do Conselho; em resposta, o Senhor Presidente do Conselho informou que o tema a ser tratado com os Parlamentares convidados é, na verdade, do domínio comum de todos os Conselheiros, referindo-se às alterações na estrutura do Instituto, e especialmente sobre a Junta Médica, e acrescentou que, conforme arrazoado com o Senhor Conselheiro Eron Bringel, os desencontros deveriam ser apresentados ao Chefe do Poder Executivo para as necessárias adequações ao que fora deliberado pelo Conselho, o que não pode mais acontecer, já que a Medida Provisória número 4, de 12 de fevereiro de 2016, que cuida do tema, está na Câmara Municipal, onde será discutida e submetida à votação, e que, portanto, lá é o lugar onde os ajustes ainda podem ser feitos, antes que se converta a MP em Lei, mediante aprovação; e continuou, como justificativa ao convite feito aos Senhores Vereadores, afirmando que o envolvimento destes só teria a engrandecer a discussão e a aperfeiçoar o tema, finalizou; o Senhor Presidente do PREVIPALMAS lamentou que não tenha sido dada a oportunidade ao Município para a apresentação de sua tese relativo à Medida Provisória em tese, e avaliou a necessidade disto para se criar um equilíbrio na análise da situação sem a necessária politização dos fatos. Fraqueada a Palavra ao Senhor Presidente do Sindicato dos Servidores Municipais de Palmas, Heguel Belmiro Souto de Albuquerque, este agradeceu pelo convite para a Reunião, e explicou que o seu comparecimento é mais com o propósito de efetivar a maior participação do Sindicato, e sua nova gestão, junto aos Conselhos, incluído o Fiscal, e, a partir daí estar munido de informações fidedignas a serem compartilhadas com o filiado, de modo a gerar ânimos mais confortáveis junto a este; relativo à mudança na Estrutura do PREVIPALMAS, e especialmente sobre a Junta Médica, indagou se não fora discutida a possibilidade de aprimoramento da Junta Médica Oficial existente, para que seja mais eficiente, em vez de se criar uma Junta Médica com a contratação de mais profissionais? E considerou válida a preocupação do Presidente do Conselho, minuciosamente tratada, quanto aos repasses do Município ao PREVIPALMAS, de modo a evitar perdas; colocou o Sindicato à disposição do Conselho, como parceiro no zelo pelo inativo. Ainda sobre a Junta Médica, o Senhor Conselheiro Eron Bringel Coelho informou que esta significa ganhos para o Instituto, já que a mesma ligada à Secretária de Administração não estava tendo o zelo que o servidor necessita, e acrescentou que, em relação à economicidade, o trazer a Junta Médica para o PREVIPALMAS significa investimento, já que a concessão de licenças médicas, por exemplo – pagas pelo Instituto – serão avaliadas com critérios mais justos, otimizando os seus recursos; o Senhor Conselheiro Lindolfo Campêlo da Luz sugeriu a lotação da Junta Médica com Servidores de carreira, até para que sofra menos pressão política no sentido de, eventualmente, decidir de modo incorreto e com prejuízo para o erário; o Senhor Presidente do PREVIPALMAS acrescentou que o destinatário dos serviços da Junta Médica será apenas o servidor pertencente ao quadro efetivo, que também é o contribuinte do Regime Próprio de Previdência, e lembrou que a Junta Médica também se prestará à avaliação anual das razões de aposentadorias por invalidez (o que nunca aconteceu) para, se consideradas insubstituíveis, fazer a reversão, e com isto, recolocar o servidor em atividade, transferindo-o da folha de pagamento do PREVIPALMAS para o seu quadro de origem, o que significará economia para o Instituto, e lembrou Instrução

Normativa do Ministério da Previdência Social que fala que a Junta Pericial Médica tem que pertencer ao Instituto; o Senhor Presidente do Conselho, fazendo menção ao que falara o Senhor Presidente do PREVIPALMAS sobre a Instrução Normativa do Ministério da Previdência Social, lembrou que a diferença é esta: uma Junta Pericial é diferente de uma Junta Médica do Município, e ressaltou que o que se está a fazer é a absorção da Junta Médica do Município pelo PREVIPALMAS, conforme está na Medida Provisória número 4, de 12 de fevereiro de 2016, diferentemente do que está na Ata que autoriza a alteração da estrutura do Instituto, inclusive quanto ao número de servidores; o Senhor Conselheiro Orlando Bizerra Sousa lembrou que há, na Medida Provisória número 4, de 12 de fevereiro de 2016 a criação de dois cargos para a Junta Médica, o de Diretor e o de Gerente da Junta Médica do PREVIPALMAS, e asseverou que a Junta é determinantemente necessária para evitar os casos de falsificação de agravo de saúde nas áreas psiquiátrica e psicológica, além de outras verificadas em grande escala, e lembrou que o indivíduo pode se aposentar a qualquer hora por problemas mentais, e sugeriu que o profissional que comporá a Junta Médica vai ter a experiência de conviver permanentemente com pessoas que estão querendo se aposentar independente de razões serem consistentes ou não; para colaborar com o raciocínio do Conselheiro Orlando Bizerra Sousa, o Conselheiro Lindolfo Campêlo da Luz Júnior mencionou o caso de um servidor que foi flagrado em crime funcional qualificado e, quando inquirido em Processo Administrativo Disciplinar, sua defesa apresentou Atestado Médico, em razão do que há mais de oito anos jaz “encostado”, com polpudo salário retirado do cofre do PREVIPALMAS; o Senhor Presidente do Conselho, fazendo menção a opinião do Senhor Presidente do PREVIPALMAS, admitiu ser preclusa a sua opinião na questão Junta Médica, e reiterou que apenas pontuou a discrepância entre o que fora aprovado em reunião do Conselho e o que está posto para aprovação junto ao Legislativo, e mencionou que enquanto foi aprovado a criação de dois cargos, na MP constam cinco; enquanto Conselho nada versou sobre a contratação temporária de auxiliares, a MP autoriza o PREVIPALMAS à contratação temporária de profissionais da saúde para auxiliarem nos trabalhos da Junta Médica, sem mencionar limite de quantidade, ou seja: fica em aberto, e acrescentou que até poderia ser necessário, mas que não foi aprovado pelo Conselho; o Senhor Conselheiro Orlando Bizerra Sousa, a propósito de elucidar e justificar a questão, lembrou que inusitados casos de necessidades de especialidades diferentes importarão na contratação temporária que atenda tais casos; o Senhor Conselheiro João Luís Pereira, considerou que contratações não são necessárias, já que nos casos de necessidade de especialidades diversas das que tenham os profissionais da Junta, o posicionamento de qualquer especialista credenciado do serviço médico do Município, do Estado ou Particular tem fé pública para amparar tal necessidade; o Senhor Presidente do PREVIPALMAS, avaliou que a contratação de que se fala, só é necessária se não houver especialista na Rede Pública de Saúde, e sugeriu que isto fosse posto na Medida Provisória; ainda Senhor Presidente do PREVIPALMAS: fez detalhada análise das razões positivas quanto à presença da Junta Médica na estrutura do Instituto, segundo o qual, em razão desta presença, serão feitas revisões médicas regulares que contribuirão para devolver servidores sob licença médica à atividade laboral, e citou casos de servidores com prolongado tempo em licença, que poderiam retornar ao trabalho, caso houvesse a revisão médica de um órgão comprometido com a Previdência do Município, mesmo sentido em que se pronunciou o Senhor Conselheiro Eron Bringel Coelho; o Senhor Conselheiro Presidente, por considerar relevante, e a título de informação, ainda que fora do tema ‘Junta Médica’, acentuou sobre a desatualização legal em Palmas, em razão da qual ainda subsistem direitos de acesso ao benefício da aposentadoria já extintos em outros Regimes de Previdência sob legislação mais moderna, e finalizou sentenciando que se trata apenas de uma informação em prol da atualização da legislação local sobre benefícios; o Senhor Conselheiro Eron Bringel Coelho, reiterando motivos pelos quais se posicionou a favor da vinculação da Junta Médica ao PREVIPALMAS, explicou que não é para suprimir direitos do servidor, mas, ao contrário, é para garantir maior eficácia nos critérios de avaliação de acesso a benefícios e garantir a segurança atuarial do Instituto; o Senhor Conselheiro João Luís Pereira, informando sobre a existência de um elenco de patologias reversíveis e irreversíveis, argumentou sobre a conduta do

profissional especializado, o qual deverá conceder licença médica ou recomendar a aposentadoria de acordo com a patologia verificada, e sentenciou que tal conduta é uma questão de responsabilidade do profissional médico, pertencendo ou não a uma Junta Médica. Franqueada a Palavra ao Senhor Presidente do Sindicato dos Servidores Municipais de Palmas, Heguel Belmiro Souto de Albuquerque, este fez menção à existência de Serviços Técnicos e Profissionais presentes no Município e no Estado, e às relações entre estes, bem como indicou a existência de caminhos de acesso aos serviços de toda essa estrutura, e finalizou sugerindo que nem sempre uma necessidade de atendimento significará a necessidade de uma contratação por parte da Junta Médica; dando sequência ao raciocínio do Presidente Heguel, do SISEMP, o Senhor Conselheiro João Luís Pereira sugeriu que o PREVIPALMAS supervisione a conduta profissional de peritos, levando em conta as patologias já descritas em lei específica, e acrescentou que isto deve fazer parte do Regimento Interno do Instituto. Ato Contínuo: o Senhor Conselheiro Presidente requereu, verbalmente, que o Senhor Diretor de Investimentos apresente valores e datas das aplicações, sem, necessariamente, depender de comunicação interna; o Senhor Conselheiro Lindolfo Campêlo da Luz Júnior, com o propósito de contribuir, requereu que todas as dúvidas levantadas pelo Senhor Conselheiro Presidente, em documento, sejam transformadas em requerimentos escritos a serem respondidos pelo PREVIPALMAS; o Senhor Conselheiro Orlando Bizerra Sousa, requereu que, doravante, seja feita a publicação mensal de todas as informações do Fundo de Investimentos do PREVIPALMAS. Ato Contínuo: atendendo ao item da pauta “da realização das providências decididas em reuniões anteriores”, foi lido ofício ao Chefe do Poder Executivo quanto a alteração de alíquota, conforme aprovado em reunião anterior. Ato Contínuo: em observância ao item da pauta “apresentação demonstrativa de como se comportou a Carteira de Investimentos”, o Senhor Diretor de Investimentos Kauwe Ueda distribuiu Relatório sobre o assunto aos Senhores Conselheiros, foi parabenizado e discorreu sucintamente sobre o tema. Ato Contínuo: atendendo ao item da pauta “proposta de estudo pela criação de um Regimento Interno para o PREVIPALMAS”, o Senhor Presidente do PREVIPALMAS fez compromisso com o Conselho de apresentar minuta do mesmo na próxima Reunião Ordinária, com uma versão original e três versões de outros Regimes Previdenciários, e ficou firmado que fará parte do mesmo: 1) a informação de que as contratações previstas no artigo 5º da Medida Provisória nº 4, de 12 de fevereiro só se darão nos casos em que não haja a especialidade nas redes oficiais de saúde; 2) o PREVIPALMAS supervisionará os trabalhos da Junta Médica; Ato Contínuo: atendendo ao item da pauta “distribuição do Processo de Revisão de aposentadoria do Servidor Inativo João Luís Pereira”, a distribuição foi feita ao Senhor Conselheiro Antonio Chrysippo de Aguiar. Nada mais havendo a tratar, a reunião foi encerrada às doze horas e quatro minutos, e Eu, Antônio Alves Luz \_\_\_\_\_, comissionado a auxiliar nos trabalhos do Conselho Municipal de Previdência lavrei a presente ata, que, lida e aprovada, será devidamente assinada pelos Conselheiros presentes.
